Vehicle Crash Causing Traffic Delays

On September 4, 2012 at approximately 1:43 p.m. Beaverton Police Officers responded on a call of a roll over crash. This crash was reported to involve two vehicles and several occupants were trapped in a vehicle.

The crash occurred on Beaverton Hillsdale HWY in the westbound lane at the northbound egress to HWY 217.

When officers arrived there were five occupants to include a 2 year old child in the van that was on its top on the northbound sidewalk. Several of the occupants to include the child were able to get out of the vehicle. Members of the Tualatin Valley Fire & Rescue (TVFR) extricated the remaining occupants out of the vehicle. TVFR stated this was a two alarm medical call and approximately 25 fire fighters were on scene.

The injuries at this time appear to be minor and occupants are being taken to an area hospital as they were removed from the vehicle.

This crash is currently under investigation and the cause is unknown at this time.

The area of SW Beaverton Hillsdale Hwy and the northbound egress to HWY 217 should be avoided for at least the next several hours.
